## Momotaro Tourist Information Center

A Tourist Information Center in the basement of Okayama Station where visitors can use English

A Tourist Information Center in Okayama Ichibangai, in the basement of Okayama Station. Tourism pamphlets on Okayama Prefecture and nearby prefectures are available in English, Chinese, and Korean. English-speaking staff are always on-site, and can provide you with information on events, places to eat and drink, and accommodation (only on the day). So if you need any help, feel free to drop in. Wi-Fi is also available, making the Center a good base for obtaining tourist information.
